Visitor From

These are the I.C.Y.E. exchange students who are spending this year in Pennsylvania.

I wish to extend my thanks to all the students and teachers of Red Lion High School, and all the other people who made this year one of the most wonderful experiences of my life. When I return to the Netherlands I will take with me many happy recollections of this time.

There were many things that were new to me, for example, the football games, which I enjoyed very much. In fact, everything at school was new – the school system, the activities, the students. Also, the size of the school and the number of students was something to which I was not accustomed, as I came from a private girls' school with only two-hundred students. Back in the Netherlands, I'll have to finish my last year of high school. This will be different from this year in the U.S.A.

I will always cherish my year at "dear ole Red Lion High."

Sincerely,
Jenny Obbens
